

"Give It to Us and Consider It Done"

Bio for Deborah A. Johnson - Contents Adjuster Team, LLC

Deborah Johnson, Founder/President & Chief Executive Officer, is a Professional Property & Casualty Independent Claims Adjuster originally licensed in 2006 by the Texas Department of Insurance and holds other various states licenses. Ms. Johnson has developed an extensive background in multiple areas of claims handling and disaster recovery with emphasis on Field Adjuster, Filed Support Manager, Trainer/Classroom Instructor/Facilitator, and File Examiner for Homeowner, Personal Property, Landlord, Manufactured, Mobile Home, Catastrophe, Large Loss and Supplement claims.

Ms. Johnson has a wide range of catastrophe assignments behind her varying from disaster relief assistance, personal property (contents) inspections, residential assessments, and commercial inspection, reinspection and quality assurance. She has achieved industry standard certifications for FEMA NFIP, GHS and OSHA Hazardous Communication, California Earthquake, NICTA Catastrophe Fraud, NICTA Investigating Organized Groups, State Farm Wind & Estimating, and Two-Story Steep/Harness & Rope Team.

In 2013, Ms. Johnson worked with the Department of Housing and Urban Development on the NYS Community Development Block Grant Disaster Recovery (CDBG-DR) Recreate NY Smart Home and Small Business Property Programs as a building assessor.

Her background and experiences have given her excellent time management skills. Throughout her career, she has forged lasting relationships with her vendors and clients. From these experiences, she draws the ability to rapidly establish an exceptional working relationship with the professional community and governmental agencies.

Prior to becoming an Independent Claims Adjuster in 2005, Ms. Johnson was an active member of the United Automobile, Aerospace and Agricultural Implement Workers of America (UAW), Local 136 for Daimler/Chrysler. She served on multiple auxiliaries and campaigned for the union position of Recording Secretary.

Before joining the UAW, Ms. Johnson gained some of her skills in Aerospace for Hughes Aircraft, EDS Division and McDonald Douglas where she laid the ground work in opening the channels of communication between the factory floor and the executive management teams.

Deborah Johnson grew up in Saint Louis, Missouri and is a long-time resident of Lemay, Missouri. As a youth, she served her country and was honorably discharged from the Army National Guard.
