John Douglas Rayburn, CFEI, CFI

President, Rayburn Fire Scene Investigations, Inc.

John Douglas Rayburn is the President and Owner of Rayburn Fire Scene Investigations, Inc. Fire Scene Investigations is the one of the largest investigation firms in the State of Illinois with nine fire investigators on staff, who are currently licensed in five states. In addition, Mr. Rayburn is a Nationally Certified Fire and Explosion Investigator and Certified Vehicle Fire Investigator. Mr. Rayburn also is an instructor with the College of DuPage Fire Science Program. He has taught at the International Association of Arson Investigators conferences on the subject of spoliation of evidence. Mr. Rayburn has recently retired after 28 years of fire service with the North Riverside Fire Department in North Riverside, IL. He is a certified locksmith. He has testified in both trials and depositions in state and federal court over 150 times. Mr. Rayburn has actively participated in over 6000 fire investigations. Mr. Rayburn was the first fire investigator in the country to implement the Matterport 3D scanning technology. He is also a K-9 accelerant detection handler. Mr. Rayburn recently celebrated his 25<sup>th</sup> anniversary in conducting private origin and cause fire investigations.
