

Micah Thoman
McLarens
National General Adjuster

Micah began his career in the insurance industry with Technical Loss Adjustment and Appraisal in Chicago, IL in 2006. From there he moved to Crawford and Company as a part of their Global Technical Services (GTS) group in 2009. He then moved on to McLarens in 2014, at first with their Chicago office and later as part of their Phoenix, AZ Natural Resources Team in 2016, where he still resides today.

Micah specializes in all large, complex, and multimillion dollar commercial property losses with a focus on Power and Energy. He has handled losses ranging from refineries, shipyards, and manufacturing plants to builder's risk, hospitality, and retail losses. Micah is licensed to handle losses across the United States and has various industry certifications including his AIC and AIC-M.
